

Bhotekoshi River Rafting in Nepal

<https://www.nectravels.com/package/bhotekoshi-river-rafting/>

Bhote Koshi River is an adventurous for white water adventure which is a very challenging river for rafting and kayaking. The main branch of Sun Koshi River which flows from Tibet is easily accessed from Kathmandu.

Bhote Koshi River Rafting is full of exciting gorges between the mountain valleys. These gorges are dramatically adventurous and rapids are challenging with big bounces. We can do the one or two days rafting in Bhote Koshi River.

Itinerary

Day 01: Drive from Kathmandu to Rafting Starting Point Khadichaur.

We will drive from Kathmandu to Khadichaur which will take around 3 hours to start Bhotekoshi river rafting. After the professional guides brief you about safety and paddling instructions, we will get ready to start our river journey. We will hit continuous rapids of class 3. After rafting for around 16 kilometers, we will reach a river bank and set up our camps there .

Day 02: Rafting & Drive back to Kathmandu

We will start the final day of our rafting expedition driving up to Jambu, which is our second put in point. It's going to be a challenging day as we will hit a lot of rapids of class 3 and class 4+ like Barking Dog, Midnight Special and the Great Wall which aren't run able. After an hour of rafting, we will again hit major rapids like Liquid Bliss, Fake Right Go Left and Golden Gate and reach our take out point, i.e. the Sukute beach. We will have a nice and warm lunch at the beach and head back to Kathmandu which will take around 3.5 hours.
