<https://www.nectravels.com/package/golden-triangle-tour/>

Golden triangle tours offer one of the finest cultural experiences in India along with a visit to some of the finest monuments and UNESCO World Heritage Sites including the Taj Mahal in Agra.

The Golden Triangle is now a well travelled route, hosting many of India's great cultural gems, and providing a good spectrum of the country's different landscapes. The Golden Triangle is so called because of the triangular shape formed by the locations of New Delhi, Agra and Rajasthan on a map but is occasionally expanded to include the wider geographical area of North India most frequented by tourists.

Most tourists flying from Delhi travel southwards to the site of the famous Taj Mahal at Agra, then west, to the desert landscapes of Rajasthan, including the city of Jaipur. These three cities are extremely popular as tourist destinations among the foreign tourists visiting India as well as among the natives.
