Kailash Pilgrimage Tour in Tibet

https://www.nectravels.com/package/kailash-pilgrimage-tour/

Mount Kailash is the holiest of all the holy mountains. The spiritual junction for both the Hindus and Buddhists is situated in the western part of Tibet. The pilgrimage tour to Mt. Kailash and Lake Mansarovar is a journey into a remote and secluded land where one seems to leave behind one's material attachments as they travel towards the holy lake. On this Kailash Mansarovar pilgrimage tours and treks.

We take a scenic drive onto the lush vegetation of conifer, rhododendron and oak trees via the semi deserted windswept landscape to the highest plateau in the world. You can see the numbers of isolated villages, nomads' tents with flocks of sheep, domesticated mountain goats and yaks grazing at the vast field.

Lake Mansarovar, an expanse of sparkling blue water sprawling over several miles, believed to be the seat of Brahma (the Creator of Universe) and the snow capped Mount Kailash is considered as the abode of Lord Shiva and his consort Parvati. The entire Kailash circuit trek is the holiest of all of Tibet's pilgrimages, an oasis of peace and serenity and the beacon that draws the many travelers to the western Tibet every year. It is said that a single circumference erases the accumulated sins of a lifetime while 108 circumferences achieve the Salvation or Nirvana.
