Langtang Valley with Ganja la Pass Trekking takes you to the famous Langtang region and the Ganja La pass(5122m/16,800 ft).

We will make an interesting excursion to Tserko Ri (5,000m/16,404ft) which offers tremendous views of the Langtang Himalayan range.

Langtang region is also famous for its Gosainkunda Lakes. As well as green rhododendron, bamboo forests, majestic waterfalls and snow-capped Himalayas make the trek one of most diverse treks near Kathmandu valley.

We start the adventure with a bus ride from Kathmandu to Syabrubesi. The trek begins from Syabrubesi via Langtang village & reaches Kyanjing Gumpa. It crosses the mighty Ganja- La pass and ends at the Melamchi Bazar in the Helambu region. Toward the end of the trip you will also trek through some beautiful rice terraces and a number of splendid Buddhist monasteries around the delightful villages of Tarke Gyang and Sermathang before heading back to Kathmandu.
