

Motorbike Tour in Nepal

<https://www.nectravels.com/package/motor-bike-tour-in-nepal/>

Nepal motorbike tour is a leading and genuine tour operator from Nepal. We have been organizing around 50 or more different biking tours in Nepal. We are growing big because of our motto which is “clients safety is our first priority”. Our crew members are well experienced riders who will help you in each and every corner of your trip.

Nepal is the best place for motorbike tours. It is because Nepal is a country which offers a wide variety of landscapes and climates. You can travel from high Himalayas to low land in a single day. Most of the biking trails are off roads here in Nepal, which helps the customers have more adventure.

The roads here in Nepal are small, muddy and windy which are more suitable and enjoyable for motorbike riders. Most of the travelers who visit Nepal are because of its landscape and natural beauty.

Total distance covered: approx. 1,500 km.

Daily distances: between 50 and 240 km.

Tour Motorcycles: late-model Royal Enfield 500cc singles with electric starters, gearshift on the left, large leather saddlebags, front disk brakes.

Insurance: comprehensive, with EUR 500.00 deductible.

Road conditions during Nepal Bike Tour: over 90 percent of the roads are paved and in varying states of repair, narrow country lanes and dizzying mountain passes, occasional jungle trails.

Riding skills: you should be confident in handling a motorcycle on paved roads; unpaved sections or rough gravelly trails should not be a problem for you.

Accommodations during the motorcycle tour: typical, basic to mid-range hotels, most with excellent atmosphere all rooms with bath and WC

Climate in Nepal: mostly sunny, daytime temperatures of 15°C to 30°C, lows of 10°C to 20°C, depending on weather and altitude. Likelihood of rain: about five percent.
